

Celebrate Yourself!

Life is a celebration and YOU are the guest of honor! God created all of us as unique, individual images of the Divine. We are all wonderfully made by God, and being wonderfully made is something to celebrate!

Every day is a new celebration, a new reason to jump out of bed and shout for joy-- if we truly appreciate the gift from God that we are to this world. Delighting in the life God has blessed us with, however, requires that we love and accept everything about ourselves. If there are things about yourself that you are not accepting and that are keeping you from celebrating yourself, this weekend with help you to set yourself free.

Come learn to love and celebrate yourself. Learn to appreciate the image and likeness of God that you are. In doing so, you will start attracting happy people who will accept and love you as God does.
