Prayer is a Thirst Retreat

By Father Thomas Ryan, CSP

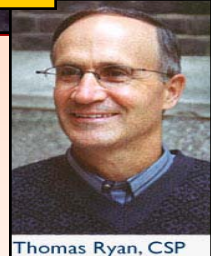

May 1-3, 2009

Prayer is a Thirst: Prayer expresses our yearning for deeper communion with God. It's a thirst that sends us back unceasingly to the Source of Life. In this retreat you will learn and practice fresh approaches to a variety of prayer forms: praying with the Scriptures, intercessory prayer, embodied prayer, and a valuable method for prayerfully reviewing the events of each day. Throughout, the approach will be experiential. The broader the range of "tastes" we develop, the more we are able to respond to our thirst in a variety of ways in what sometimes feels like an inner desert. A few quality methods, regularly used, will help you dig deep and strike Living Water to refresh and sustain your spiritual life. Please bring a Bible.

The Desert will lead you to your heart where I will speak
