

ANNUAL RETREAT
FOR SISTERS

The Redemptorist Renewal Center is proud to invite you to attend the annual Religious Sisters Retreat.

This year's retreats in English, titled *The Rose and the Way*, seeks to lead each participant to the deeper mystical path that will blossom into the experience of God's presence.

To seek is as good as seeing. God wants us to search earnestly and with perseverance. We must know that God will appear suddenly and joyfully to all lovers of God. Julian of Norwich

I will give thanks to you, O Lord, with all my heart. (Ps 138:1)

The Redemptorist Renewal Center is a place where God may be discovered in action. It is not just a physically beautiful place, but it is a place where a person may listen to the voice of God. It is a place where the Redemptorist community is privileged to serve their brothers and sisters in the Lord. In the inevitable exchange, in each experience of sharing, listening and silence, the healing and nourishing power of the Spirit of God is at work.

THE ROSE
AND
THE WAY

I will arise now and go about the city in the streets, and in the broad ways; I will seek him whom my soul loves (Song of Songs 3:2)

Come on a contemplative quiet journey at the Redemptorist Renewal Center. We will come together to open our hearts and allow God to speak to us. We will journey with the great spiritual women of our generations. May God lead us into the rose garden to seek the inner way.

Through times of spoken reflection, quiet meditation, and music we will listen to the wisdom of *St. Theresa*, the little flower, *Blessed Mother Teresa of Calcutta*, *Caryll Houselander*, *Dorothy Day* and other contemporary women mystics. We join the great mystics in discovering the way into our God, the experience of our God, and our own ever-mysterious inner unfolding.

Whatever my past you were there with me. Whatever is present now is your gift. Whatever happens in the future is safe in your hands. (St. Therese de Lisieux)
